COMPANY PROFILE 2026

Delivering Precision,
Quality and Reliability
in Every Project

PRECISION ENGINEERED

RELIABLE SOLUTIONS

INDUSTRY EXPERIENCE

CLIENT FOCUSED

10+ YEARS OF EXPERIENCE

200+ SUCCESSFUL PROJECTS

20+ SATISFIED CLIENTS

ROICO

Raibod Oil Industry Company

METERING . PROVING . CALIBRATION

ABOUT US

ROICO (Raibod Oil Industry Company) is a specialized engineering company providing metering, proving and calibration solutions for the oil & gas industry.

With a team of experienced engineers and technicians, state-of-the-art equipment, and a commitment to international standards, we deliver reliable solutions that ensure accuracy, safety and performance in every project.

OUR MISSION

To deliver precision-engineered solutions and excellent services that exceed client expectations.

OUR VISION

To be a leading company in the field of metering, proving and calibration in the region.

OUR VALUES

Quality, Integrity, Safety, Teamwork and Continuous Improvement.

OUR COMMITMENT

We are committed to HSE, quality management and building long-term partnerships.

10+ YEARS OF EXPERIENCE

200+ SUCCESSFUL PROJECTS

20+ SATISFIED CLIENTS

100% COMMITMENT TO QUALITY & SAFETY

WHY CHOOSE US

At ROICO, we are committed to delivering excellence through quality, reliability and customer-focused solutions.

EXPERIENCED & SPECIALIZED TEAM

Our team of highly skilled engineers and technicians brings years of industry experience and technical expertise to every project.

QUALITY & RELIABILITY

We are committed to delivering high-quality solutions that ensure accuracy, safety and long-term reliability.

COMPREHENSIVE SOLUTIONS

From metering and proving to calibration, automation and support, we provide end-to-end services tailored to client needs.

CUSTOMER FOCUS

We build strong partnerships with our clients by understanding their challenges and providing effective, timely and cost-efficient solutions.

COMPLIANCE & SAFETY

We adhere to international standards and industry best practices, ensuring safe, compliant and environmentally responsible operations.

PROVEN TRACK RECORD

With over 200 successful projects and more than 20 satisfied clients, we have a strong track record of delivering results across the oil, gas and energy sectors.

OUR CLIENTS

We are proud to work with leading companies in the oil, gas and energy industries.

Raibod Oil Industry Company

METERING . PROVING . CALIBRATION

OUR SERVICES

ROICO provides a comprehensive range of engineering and technical services tailored to meet the needs of the oil, gas and energy industries.

METERING SYSTEMS

Design, engineering, supply, installation and commissioning of metering systems for liquids, gases and multiphase applications.

PROVING SERVICES

On-site proving of flow meters using portable proving systems in accordance with international standards.

CALIBRATION SERVICES

Laboratory and on-site calibration of flow, pressure, temperature and electrical instruments traceable to international standards.

MAINTENANCE & SUPPORT

Preventive and corrective maintenance, troubleshooting and technical support to ensure optimal performance and minimum downtime.

CONTROL & AUTOMATION

Engineering and integration of control systems, PLC/SCADA, Panel building and automation solutions.

PIPELINE & FACILITIES

Engineering, installation and commissioning of associated pipelines and offshore/onshore facilities.

CONSULTING & ENGINEERING

Technical consulting, feasibility studies, detailed engineering and project management services.

HSE & SAFETY SERVICES

Health, Safety & Environment services, risk assessments and HSE supervision to ensure safe and compliant operations.

TRAINING & CAPACITY BUILDING

Technical training programs and workshops to enhance skills and knowledge for your workforce.

SUPPLY & PROCUREMENT

Supply of metering equipment, instrumentation, spare parts and associated materials with reliable global sourcing.

ROICO

Raibod Oil Industry Company

METERING . PROVING . CALIBRATION

OUR CERTIFICATES

Our commitment to quality, safety and excellence is reflected in our certifications, qualifications and memberships.

ISO CERTIFICATES

We are certified to international standards, ensuring quality, safety and environmental responsibility in all our operations.

ISO 29001:2020
Quality Management System for the Oil, Gas and Petrochemical Industry

ISO 9001:2015
Quality Management System

ISO 45001:2018
Occupational Health and Safety Management System

ISO 14001:2015
Environmental Management System

QUALIFICATIONS

We hold official qualifications and approvals from relevant authorities, demonstrating our technical competence and compliance with industry regulations.

Grade 3 Installation Contracting Qualification
Ministry of Cooperatives, Labour and Social Welfare

Safety Qualification
Ministry of Cooperatives, Labour and Social Welfare

Field and Computational Tank Calibration Inspector
SPEDT (Oil Ministry) –
Supervision of Petroleum Exports and Transactions Department

Liquid and Gas Metering Calibration Inspector
SPEDT (Oil Ministry) –
Supervision of Petroleum Exports and Transactions Department

MEMBERSHIPS

We are proud members of reputable professional and trade organizations that support our commitment to industry development and collaboration.

Iranian Instrumentation Association
Membership in the Iranian Instrumentation Association

Chamber of Commerce, Industries, Mines and Agriculture
Membership in the Chamber of Commerce, Industries, Mines and Agriculture

OUR PROJECTS

Over the years, ROICO has successfully executed a wide range of projects for esteemed clients in the oil, gas and energy industries.

OUR PROJECTS

Over the years, ROICO has successfully executed a wide range of projects for esteemed clients in the oil, gas and energy industries.

No.	PROJECT NAME	CLIENT	YEAR
1	Supply, Installation, and Commissioning of Flow Computer (Station 113)	Bid Boland Persian Gulf Gas Refinery Co.	2021
2	Troubleshooting and Optimization of Metering System (Refinery Phase 1)	South Pars Gas Complex	2023
3	Troubleshooting, Calibration, and Commissioning of Lavan Oil Refinery Liquid Gas Metering Skid	Lavan Oil Refining Company	2023
4	Procurement of Parts and Upgrading of Feed Metering Control System	Nouri Petrochemical Company	2023
5	Calibration Operations and Determination of Storage Tank Factors for Tehran Oil Refinery	Tehran Oil Refining Company	2024
6	Calibration of Provers and ATG/ATT at Kharg, North and South Pars Terminals	Iranian Oil Terminals Company	2024
7	Upgrading the Metering System of Tabriz Oil Transfer Center	Iranian Oil Pipelines and Telecommunications Company	2024
8	Upgrading the Monitoring System of Metering Package (Rows 2 & 3, Darkhovin Area)	Arvandan Oil and Gas Company	2024
9	Sales of Metering Equipment for Arvand Petrochemical	Arvand Petrochemical Company	2024
10	Upgrading and Optimization of Petroleum Products Metering System for Lavan Oil Refinery	Lavan Oil Refining Company	2025
11	Upgrading the Metering System for Sarvestan Pipeline Facilities	Iranian Oil Pipelines and Telecommunications Company	2026
12	Upgrading the Metering System for Kermanshah Facilities	Iranian Oil Pipelines and Telecommunications Company	2026

Raibod Oil Industry Company

METERING . PROVING . CALIBRATION

OUR PRODUCTS

High-Performance Metering, Proving &

Calibration Solutions for the Oil & Gas Industry

Sampling Systems

01

AUTO SAMPLING SYSTEM

Complete automatic sampling system fast-loop and in-line sampling configurations with integrated static or dynamic mixing .

02

IN-LINE SAMPLING PROBE

Electric and pneumatic in-line sampling probe for accurate pipeline sampling, with adjustable grab time and grab volume

03

SAMPLING RECEIVER

Collects and stores fluid samples with TRV valve and pressure gauge

04

LABMIXER

LabMixer for homogenizing samples in the sample receiver, featuring an Ex pump and integrated static mixer for reliable

Process & Metering Packages

05

METERING SKID

Integrated metering skids and loading packages designed for accurate custody transfer measurement

06

WATER DRAW PACKAGE

Calibrated stainless steel water draw package with graduated neck and optional precision load cell for accurate volumetric or gravimetric

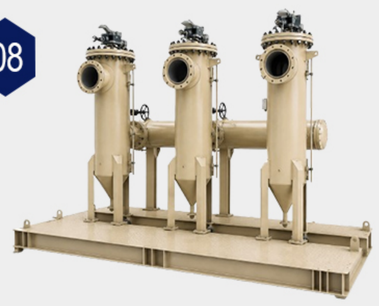

07

PIPE PROVER

High-accuracy pipe prover available in fixed and portable configurations, including bidirectional and unidirectional designs

08

AUTO FILTRATION PACKAGE

Automatic self-cleaning filtration package featuring backwash, jet-wash, and rotating brush basket cleaning

Components & Tools

09

DETECTOR SWITCH

High-accuracy pipe prover detector switch with magnet and reed-relay technology, available in center- and side-magnet designs

10

PRE-AMPLIFIER

Amplifies pickup-coil signals from turbine flowmeters

11

SPHERE REMOVAL TOOLS

Manual and electric pump tools for sphere insertion

12

SPHERE CHARGING TOOLS

Manual/electric pumps, sizing, charging, and maintenance tools for prover spheres

Supplied Equipment

13

FLOW COMPUTER

Supplied from leading brands, with complete programming services

14

PROVER SPHERE

Supplied from reputable brands in various sizes and materials

15

FLOWMETERS

Supplied from leading brands, including Coriolis, ultrasonic, turbine, and other flowmeter types

16

FOUR-WAY VALVE

Supplied in both general-purpose and Z-plate configurations
